

## See October's restaurant openings and closings across Phoenix

October had a strong month of restaurant openings.

A good portion of the restaurants are part of well-established concepts or restaurant groups, such as Sauce, Ra Sushi, Bobby Q and Press Coffee Roasters.

Match Cuisine & Cocktails opened at The Found:Re hotel in downtown Phoenix at 1100 N. Central Ave.

National chains expanded their presence in the Valley as well, with Even Stevens, Raising Cane's, First Watch and Rubio's opening new locations.

The theme of October's restaurant openings wasn't rampant with fine dining, but instead seems to have revolved around burgers: Aioli Burgers, Caveman Burgers, Rocket Burger and Hand Cut Burgers opened their doors last month.

Only one restaurant closed: Solo Trattoria in Phoenix.
